

Advanced Healthcare Infrastructure Development

Cera Sanitaryware Limited as a responsible corporate strongly believes in contributing towards Health and wellbeing of society through its various CSR activities. Bhagyoday General Hospital is Equipped with all emergency treatments and various OPDs and has transformed into multi-specialty hospital with advanced, and high tech medical and surgical equipment.

Cera has contributed in setting up of Cath Lab & Bypass Surgery Unit at Bhagyoday Hospital, so that needy and local people can get maximum benefit of that facilities and it is also linked with Government health scheme “Aayushman Bharat Yojna” where the patients can get free treatment. It was inaugurated by CERA’s Chairman & MD, Sri Vikram Somany on 8th December 2021 at Bhagyoday Multispeciality Hospital
